## State and Local Government

The local, county and state government pages are designed to provide information about your local government officials, their contact information and term ending dates.

Check these pages for local voting information, candidate information if available, and current events and issues related to your specific area.

## Educate Yourself / Get Involved

This section is dedicated to helping you understand the global problems and issues in our country that have trickled into Montana, as well as giving you options for getting involved to make a difference by educating yourself, or taking a specific action to awaken others and getting involved in the community.

- [Attend Public Meetings](#)
- Learn about our Public Education system and look into other options for your children or grandchildren
- [Government 101](#)—Refresh yourself on citizen responsibilities, how local and state governments work, and the job descriptions of our elected officials.
- [Help Others in Need](#)
- [Learn and Understand History](#)
- [Meet the Candidates](#)
- [Offer small educational meetings in your home for family and friends](#)
- [Organize / Hold Meetings in your Neighborhood to get to know your neighbors](#)
- [Participate on Voices of Montana](#)
- [Register to Vote](#)
- [Run for Office](#)
- [Self-governance and basic preparedness / self reliance](#)
- [Shore up your knowledge about America's founding principles and documents](#)
- [Stay informed with Alternative Media Sources and the Internet](#)
- [Volunteer to help Brushfires with this Project / Website](#)
- [Write Letters to the Editor](#)

## Montana Issues and Other Problems

Montana issues you should learn more about, because they relate to what's happening throughout the nation, as well as a movement to strip our country of its Constitution and sovereignty while moving us rapidly toward "Global Governance".

- [About Us](#)
- [Follow the Money](#)—See the inter-relationships between politicians and special interests
- [Hitting Home](#)—Important information for and about Montana including:
  - \* Alternative Media Resources
